

## **You are invited to SPRING TIDE 2024 in Scarborough.**

Springtide is an initiative of Churches in and around Scarborough. We began in 2008 with a Prayer Meeting and then a Conference! Following an enforced break during Lockdown, we are now back and excited about this fresh season and vision to unite Christians in Worship, Teaching and Fellowship. Spring Tide's vision is a simple desire to GROW in Christ:

**\*GROW CLOSER to God, \*GROW CLOSER to one another and \*GROW the KINGDOM of GOD in Scarborough and beyond**

If you share our vision, please join us for a weekend of worship, teaching and fellowship on **26-28<sup>th</sup> April 2024**, at Scarborough Christian Fellowship. Please see the programme below.

### **EVENING CELEBRATIONS**

Ian and Marj relocated to Scarborough three years ago. After 40 years in leadership to churches in the UK, they have been released to be a spiritual Mum and Dad to churches and leaders both in the UK and in continental Europe.

Ian was born and raised in South Wales where generations of his family were shaped and transformed by the work of the Spirit through the Welsh revival. Ian is married to Marj who is originally from Filey. They have four adult children and nine grandchildren.

### **SATURDAY MORNING SEMINAR:**

#### **Carolyn Bramhall**

Carolyn has been in Christian ministry since Bible College, and she is passionate about equipping churches to understand trauma and mental health issues. She has been a youth worker, director of a women's refuge, a counsellor, author, and conference speaker.

Carolyn founded and led *Heart for Truth*, an international ministry training churches to work with mental health and trauma and now she works independently as advisor and trainer on trauma and abuse. ***Vision*** Each time Jesus spoke a message to one of the 7 churches in the book of Revelation, he urged them to hear what the Spirit says to the churches. What is so wonderful is that Jesus never changes! He is still passionate about his church, is still speaking words of life to her and still communicates the desires of his heart through

the person of the Holy Spirit. Springtide, from 26-28 April 2024, is an opportunity for the church along the East Coast to gather together in the presence of the Spirit, to honour Jesus and to hear His words to His much-loved bride in this new era.

*We want to thank all those who have sought God's plan together for this years Spring Tide Conference weekend over these past months. Special thanks also to Geoff Bowell for inspiring vision and calling the team together as well as offering SCF to meet in this year. Thank you to all those listed in the Conference plan above for their prayers, planning and practical help. and especially our guest speakers Ian Rossoll and Carolyn Bramhall*
