With Local Churches

Welcome! To The Spring Issue.

I hope everyone has had a great Easter. Thank you to all that donated the wonderful eggs and treats. Westway Open Arms continues to be busy, there has been an increase of clients for the food bank as families continue to struggle with the cost-of-living crisis. We are looking forward to completing the next stage of the garden refurbishment, giving it a good clean and the railings a new coat of paint. All volunteers are welcome to assist, if this is your thing please contact the centre. The Westway Warblers enjoyed their performance at the fundraising night alongside the Thornton Le Dale Ukuleles, the Warblers are now in

SENSES is a registered charity that supports families of preschool children with additional learning, physical, or medical needs in Scarborough and the surrounding area. Qualified and experienced staff run two weekly toddler groups, (one at the Oasis Centre and one every Tuesday during term-time in Eastfield at Westway Open Arms) which provide multi-sensory experiences, and the opportunity for parent-to-parent support relationships to develop. A Walk and Talk service is also available for individual families to meet a staff member and discuss any specific support requirements.

There is a Monday coffee morning at WOA twice a month, where parents and carers of children and young people with additional needs can meet.
